

Therapeutic Treatment Practitioners Release

In undertaking a therapeutic treatment from In Villa Private Spa; I agree that:

1. The purpose of the massage is to provide stress relief, pain control and relaxation. I do not expect nor will I ask any associate to diagnose, prescribe for or treat any of my symptoms. I understand that any relief of physical or emotional symptoms is the product of processes that reside within me.
2. I understand that I am responsible for my emotions, feelings, body and belongings and the massage therapist is only responsible for giving a massage. Control of this session is mine and I can always say stop.
3. I do not expect nor will I ask any massage therapist to discuss or perform a sexual act. I understand that the massage therapist is not allowed to engage in a discussion of a sexual nature and that the massage will be terminated if necessary.
4. I understand that in order to receive a massage it is NOT necessary to remove my clothes. Nudity is not permitted.
5. Because massage/bodywork should not be performed under certain medical conditions, I affirm that I have stated all my known medical conditions and answered all questions honestly.
6. In the spirit of this understanding, I agree to hold In Villa Private Spa therapists blameless from any problem which might arise as a result of my massage sessions.
7. Intoxicants: It is the policy of In Villa Private Spa that the safety and health of employees and clients, massage services will be denied to clients who consume alcohol or drugs prior to their massage appointment or appear to be under the influence of alcohol or drug consumptions for their appointment. I agree to comply with this policy.
8. Infections conditions: therapists are informed about infectious illness and skin conditions and routinely practice safeguards to protect themselves and others from the spread of disease. If I have any concerns about safeguards practiced by therapists, I may ask to speak to the Rental Manager in confidence.
9. Any person who is experiencing abnormal secretions of bodily fluids (for instance bleeding, vomiting, and diarrhea) should not give or receive a massage until the condition subsides. I agree to comply with this stipulation.
10. Any person who has a contagious infection, including but not limited to strep flu, chicken pox or measles, common cold, skin conditions such as impetigo or staph infections, should not give or receive a massage until the condition is no longer contagious. I agree to comply with this stipulation.
11. Therapists will use disposable glove or adhesive bandage if the skin on his or her hands is not intact do to cuts, burns or abrasions, chapping damaged cuticle or rough skin.

12. Weeping lesions or infected wounds should be made known and covered.

I the undersigned have completed this form truthfully and to the best of my ability and knowledge. I have been given the opportunity to ask any questions relative to the treatments I have elected to receive.
